

We welcome all new and returning members including teams to our club and hope that our endeavour to provide inexpensive, competitive and enjoyable racing will exceed your expectations. The key purpose of this message is to provide you with membership forms and details for the coming season. If you know of any potential *Competing* or *Non Competing Members* please forward this to them. If you'd like to be removed from our distribution lists, hit reply and type 'Remove'.

## Membership Fees

Despite significantly higher costs in promoting the class this season our fees remain unchanged from last year. Please note a SIFF Competing Membership entitles SIFF members to compete for points in all rounds of the NZF1600 Championship.

- 1. Full Championship Membership Fee** **\$200.00**  
This includes the Championship Registration which is a levy to MSNZ for each competing member.
- 2. Concession Championship Membership Fee** **\$100.00**  
This membership level and is designed to accommodate those who wish to compete in **one round only**.
- 3. Non Competing Membership Fee** **\$50.00**  
This is a non-competing membership which enables supporters to be affiliated to the club.

Details about how to pay your membership fee appears on the forms. Please send these forms and fees to the club as soon as possible – they are due from 1<sup>st</sup> July 2016.

Note - A *Full Championship Member* who for whatever reason is subsequently unable to race in the Championship will be entitled to ask to be re-assessed as a Non Competing Member and receive a \$150 refund.

Statistical data (age group and gender) that we are required to supply to MSNZ is included in the form.

## Free Bonus SIFF Merchandise

A complimentary umbrella sporting our logo will be provided to all competing members as will visor strips, car decals and patch monograms. New Competing Members also receive a complimentary tee shirt, cap and pit display board. The following membership form includes a panel where you can order your size.

Additional merchandise for your team can be ordered on this same form. The SIFFC would like team members in the pits wearing SIFF apparel to enhance the visibility of the class; particularly those helping on the dummy grid. Supplied visor strips and car decals are to be affixed in the appropriate places; the coordinator will help with this.

## Early Bird Lucky Draw - \$50 Challenge Vouchers

Your Committee cannot emphasise enough the necessity to get Membership registrations in early. As an incentive, three \$50 Challenge vouchers have been provided by **Newfield Autos, 661 Tweed St, Invercargill**. All *Full Members* with forms returned and payments made by **31<sup>st</sup> July** will go in the draw for three \$50 vouchers. These are pretty good odds and free for members who are prompt.

## Club Planning

The 2016/17 South Island Formula 1600 Championship will get underway at Ruapuna 29/30 October. Your Committee has considerable planning and legwork yet to do. It is imperative that we receive membership details and fees ASAP. We need to know numbers so we can negotiate all manner of things. We expect 25 cars on most grids this season with a total of around 32 cars competing - a great deal of preparation is required.

## Pit Display Boards

The committee is asking for updated information from you for car pit boards and your driver profile to go on our website ... and for use by media. This information is now requested as part of Section 5 in the membership form. New members are probably unaware but the committee supplies a Pit Display Board for each car as shown below. It's all part of promoting the class.

**Don't wait until the end of July to complete your membership. Do it now! Please!**
